

# Increase my staff at a fraction of the cost? Yes you can.

The Community Centre Alliance delivers the Community Coordinator-Targeted Wage Subsidy on the Avalon Peninsula.

Our Job Brokers work out of the Community Centre Alliance in St. John's servicing the entire Avalon Peninsula.

We match employers with unemployed individuals who want to work and move into meaningful and full-time employment.

We cover 60% of employee wages for potentially up to 36 weeks. We also provide employer-employee support for the duration of the contract.

Our average application processing period is 2-5 days. We screen employees and match them with employers based on mutual need, interest and skill sets.

Our track record speaks for itself: 70% of participants remain in the workforce following the subsidy period.

You need employees and our clients want to work.

A job broker is just a call away. For more information, please call (709) 753-5670.
