**PILE-UP** - Two cars, a mini van and a five-ton-truck were involved in a pile-up on the Veterans Memorial Highway late last month. Only one person had to be taken to the Carbonear General Hospital in Moore's Ambulance. "One of the vehicles was extensively damaged when it flipped over and landed on its roof in a ditch," according to Robert Seymour, recording secretary for the Bay Roberts Volunteer Fire Department. The department spokesman noted it was raining at the time of the incident, which occurred around 5 p.m., Aug. 24 near Gould's Brook.
